Chapter 1 by Nyq

So, this will be a sequel to SURIVAL. The events mentioned takes place 2 years after all that shit happened in the Sanctuary.

January 6, 2023, Dusk

"Ever since those bastards in the Sanctuary decided to screw everything up, we never had a meal like this for years." complained Samuel as he roasts a gutted rabbit over a fire, alongside with a few more men sitting around him.

"Maybe something's indeed wrong with Anand (yeah, that's the owner of the diary in SURIVAL), it is he who suggested the party." said Jun Ren while patting his MP5. "If not for these guns we picked out of the Sanctuary, we might have just become zombie food. Anyone minding to feed a zombie?"

The company laughs at Jun Ren's question.

"Bah, I would better jump off from a cliff!" exclaimed John "Smily" Dunemill, which causes the crowd to laugh again.

The laughter ends as they say their scouts running back in panic.

"So, what happened?" asked John.

"John we've spotted a horde of zombies in the nearby street led by a mutant (giant zombies that makes distinct high-pitched screams, those monster normally wield weapons) They are clearly coming for us!" said a scout while pointing towards the street.

Chapter 2 by Nyq

"Shit!"shouted Yong as the zombie horde tore a hole through the Haven's walls.

With a shriek,a mutant swung it's axe against a Haven soldier standing in it's way.The poor man's head was instantly split into half,creating a splatter of brains on the ground.

"At all costs,regain the hole!"ordered Yong while desperately trying to stop the endless zombie horde surging through the defenses.

With Yong's order passed down amongst the Haven's defenders,the surviving men rushed out of their trenches,their guns armed with bayonets.

The men fought bravely,but the zombies got the upper hand.With every passing second,a warrior of the Haven falls.But they never took a step back.

"Charge,every kill counts!"shouted a captain before his head was chopped off by a mutant.A nearby soldier,which is his close friend shrieked in grief.He plunged at the zombie,hoping to avenge his fallen comrade.The zombie dodged the attack and retaliated.It's axe heading for the chest of the warrior.But he didn't dodge the attack as his bayonet gets closer to neck of the enemy.

With a dull piercing sound,the bayonet stroke it's target.The zombie fell dead,but it's axe didn't.The warrior was flung back,he couldn't fall back as the axe is lodged in his chest.As darkness covers his sight,he can only lay and wait for death.
